Phone a Mentor

List of mentors

The mentors are only as far away as a phone call. There is someone on the list available pretty much anytime throughout the day.

Please remember that mentors are volunteers and respect the time they give you.

Please avoid calling outside the hours they have nominated in the table.

If applicable and you are able to, take a photo of your hive 'issue' and text it to your mentor to help them identify the cause.

Mentoring is a phone service and not a person to person service unless that arrangement is mutually agreed upon by your mentor. It is certainly not expected of them.

If you have any suspicions about the presence of any exotic pests please call the Exotic Plant Pest Hotline: 1800 084 881 (24/7)

And finally: No form of aggression or disrespect towards mentors will be tolerated.

Thanks you for your co-operation.

Name (A - Z)		Phone	Location	Speciality	Times Available
Bron	Barton	0433 035 143	Korumburra	Langstroth	12md - 6pm . Any day
